Dear Mr. President,

AMOUNTS FOR THE USA | **THE GOLDEN RULE**

USD 8 billion (Court Order 28FEB2025 | EU #DeepState WITCHHUNT)

USD 8 trillion (Court Order 04JUL2025 video | EU #DeepState continued WITCHHUNT)

EUR 350 trillion (Contract / Invoice / payment of invoice no. 81122P1101-2, 07NOV2022)

Best wishes and greetings from our organization and myself - the undersigned - from Thailand, a wonderful country and an excellent government.

We have seen all the beautiful and good work you are doing as 47th President of the United States of America and all the great things achieved for MAGA, MAHA and MASA. We have seen the enormous efforts and success in the battle for TRUTH, making those huge global LIES fade away.

Our organization believes in the TRUTH – following THE GOLDEN RULE as the highest law in our world – walking the #PathOfTruth, as we see it being walked too by your administration and great team in and for your country. It is only TRUTH that has the power of the good to unite and it shall, we are sure about that, make your great country again a UNITED country of all people of the STATES of AMERICA.

Walking the #PathOfTruth is what connects us – FREE BECAUSE OF THE BRAVE.

Our International Hanse Court of The Golden Rule shall support all countries that walk the #PathOfTruth.

That is the main reason why we are coming to you with these amounts of money for the USA.

The €350 trillion story is connected to our legal work all over Europe with focus on DEUTSCHLAND – all at all times in writing with delivery confirmation. At some point in 2022 we said that we from now onwards would defend all DEUTSCHE and that DEUTSCHLAND and the #DeepState within and behind it would be immediately bankrupt that way (30SEP2022).

Following we declared to have liberated DEUTSCHLAND from the #DeepState, us being the “Geschäftsführer” will say CEO, business initially to be continued as normal, and **we decided to invoice a much smaller amount - which we stated in writing - then we could have had**, being the said € 350 trillion (In German language € 350 Billionen) for DEUTSCHLAND.

Following the 1-pager overview on the amounts for the USA: Page 3.

Some similar frozen – and/or to be announced – amounts, related for HANSE investments into the USA, are at / with banks in Europe as following:

- DEUTSCHE BANK AG Frankfurt Germany
- SPARKASSE Bielefeld Germany
- ING Bank N.V. Amsterdam Netherlands
- BUNQ Netherlands
- SANTANDER Spain (OPENBANK)
- REVOLUT UK England
- Et cetera

For the € 350 trillion we had proposed to different ways of payment. We had put the same invoice number adding for reference indexes -1 and -2. The #DeepState “used” both and paid them in full. They used our two bills actually as a blueprint for building it all for trapping us.

TWICE € 350 TRILLION PAID CONFIRMS IT ALL.

ALL LEGAL POINTS OF THE CONTRACT ARE VALID.

As we have no access, we consider the amounts frozen. The legal situation is as following:

1. since Nov/Dec 2022 with UOB United Overseas Bank Singapore in THAILAND Bangkok Account Van Tulp Consulting
=> the € 350 trillion for the People of the USA (Pay USD 1.0 each citizen to HANSE + cash USD 100,000.00 for each citizen + rest 50% into each citizens PQA program, 50% into each citizens QFS account)
2. since - acc. analysis / best guess – Nov/Dec 2023 with a HIB (Hanse International Bank) in Europe at – acc. Analysis / best guess – Revolut Lithuania
=> the € 350 trillion for the people of DEUTSCHLAND (Pay EUR 1,0 each citizen to HANSE + cash EUR 100.000,00 for each citizen + rest 50% into each citizens PQA program, 50% into each citizens QFS account)

Eventually your CIA could have some look into it or knows it already, as it was back then the “Biden CIA”.

On the other hand, the request from our side to you would be: It would be truly great, if you could convince THAILAND, them being USA's ally, to push banks and lawyers in Thailand to bring things in order with our local companies HANSE INTERNATIONAL and VAN TULP CONSULTING.

→ We would like to put some of those amounts it into QFS accounts in the US.

Brief side information on the PQA Program (World; starting in the USA and DEUTSCHLAND)

2 x €350 trillion we had to wait until we received green light from the good forces to walk this path of sharing both amounts with the people of the USA and DEUTSCHLAND in the way of our newly installed HANSE program PQA (Private Q-Collateral Account). It is a worldwide program serving for each and every human being for hardships as safe-harbor account with unlimited amount; all accounts are connected to one national trust. The amounts of all PQA accounts form the national trust of each country with a every year update by dividing the worldwide stock-market value by the worldwide population of human beings. More information to come up on our homepage www.vantulp.eu.

The USD 8 billion + USD 8 trillion have the same background of WITCHHUNTING us. Full detail in the added micro details hereunder. We were heavily WITCHHUNTED by the #Deepsate all the way from 2022 until today. We continued doing our legal work and in 2024, when you won the PRESIDENTIAL ELECTIONS, we in parallel could stop a #NAZI law from DRITTES REICH HITLER DEUTSCHLAND from longer being executed and applied in Germany: **The REICHSBÜRGER LAW** originally for hunting **NON-NAZIS**, was used to hunt all and any German opposing by **FREEDOM OF SPEECH** making them officially by law (!!) **OUTLAWS until October 2024**. NAZIS still hunting NON-NAZIS up to 2024 one could say. Via social media we made them change it in a still way and the Ministers of Finance, Justice and the head of Internal Intelligence stepped down, the Minister for Internal Affairs fell sick but continued after some time.

We did an 1-pager official COMMUNIQUÉ on this topic of this NAZI REICHSBUERGER LAW on 04DEC2024 to all parliaments of the world.

This COMMUNIQUE we used for making it all the way down until today a weapon for the relatively new upcoming party **AfD in Germany**, making it impossible to frame them NAZI in order to close them down. This AfD party, as you of course know, is bringing and implementing true democratic values and ways; we shall strongly propose to add **USA's #BillOfRights** to DEUTSCHLAND's constitution.

In parallel to all the described, we were heavily and fully decapitalized in Thailand during all these years waiting for the great and good government of Thailand, to take up measures helping us to regain our capitals and access to them. We had announced it via social media in January and February this year.

- sorry for this remark here - (Related to our **QFS** accounts too)
