– as #DeepState in Thailand (#DeepState directed by a “World Government”: being the illegal, not voted by the people, #CommitteeOfThe300 / #EPSTEINITEIMPERIUM) – effort "intended murder" of Knight Maikel zu Van Tulp.

We refer to our letter as EXECUTION dated 18SEP2026 to the attention of the following three parties: 1. #WORLDBANK #HIB (HANSE INTERNATIONAL BANK) SWITZERLAND - former #BIS/#BIZ (Bank for international Settlement Switzerland), 2. GOVERNMENT OF THAILAND INCL. BANK OF THAILAND (#BOT), 3. KASIKORN, THAILAND.

Instead of working together following the WORLDCOMMAND acc. the a.m. EXECUTION, all involved parties formed one #DeepState action, the murder of Knight Maikel

- by starvation, lack of money (Stolen)
- by starvation shutting off electricity and water (Crime)
- by expelling him from his home and office of HANSE (Crime)
- trying to trick away all remaining possessions (Tricks/Crime)

We have studied and analyzed in depth the worldwide ways on how the #DeepState operates globally, it is always the same pattern, a #SATANIST #EPSTEINCLASS #GLOBALIST #ZIONIST/(#FALSEJEW) #NAZI pattern. They steal and trick away the monies of a targeted person by centrally country finance departments, banks, insurances, courts of first instance, lawyers, thus “enslaving” any additional human being they would need for their crime by using them for any lies or similar criminal terrorist acts.
